Cafoli™
LIFECARE

Alfuxyle D PR

Alfuzosin Hydrochloride (ER) and Dutasteride Tablets

Dual Action for Better Results
Alfuzosin relaxes smooth muscles & Dutasteride reduces prostate size.

Improves Urine Flow
Relieves bladder outlet obstruction and enhances urinary flow.

Reduces Prostate Enlargement
Helps shrink the prostate and prevents further growth.

Once-Daily Convenience
Effective, long-lasting relief with simple once-daily dosing.

Improves Quality of Life
Helps reduce symptoms and supports better urinary health.

INDICATIONS

- Benign Prostatic Hyperplasia (BPH)
- Urinary Retention
- Improved Urinary Flow & Symptoms
