Cadray™ Lifecare

Atorable™ CV 20/75
Capsules

Atorvastatin Calcium & Clopidogrel Capsules

Reduces Cholesterol Levels
Atorvastatin lowers LDL cholesterol and increases HDL cholesterol.

Prevents Blood Clots
Clopidogrel inhibits platelet aggregation and reduces the risk of clot formation.

Improves Heart Health
Helps maintain healthy blood flow and reduces the risk of heart attack and stroke.

Supports Circulation
Keeps arteries open and ensures better oxygen supply to the heart.

Dual Action Protection
Combines lipid-lowering and antiplatelet action for comprehensive cardiovascular care.

INDICATIONS

- Coronary Artery Disease
- Prevention of Cardiovascular Events
- Hyperlipidemia & Atherosclerosis
