Calostyle™-Coral Plus

Coral Calcium 500mg + Vitamin D3 500 IU + Zinc 10mg + Magnesium 10mg

SUPPORTS BONE MINERAL DENSITY

Coral Calcium and Vitamin D3 help build and maintain strong, healthy bones.

ENHANCES CALCIUM ABSORPTION

Vitamin D3 improves calcium absorption for optimal bone mineralization.

PROMOTES STRONG BONES & TEETH

Essential nutrients work together to support bone strength and dental health.

SUPPORTS MUSCLE FUNCTION

Magnesium and Calcium contribute to normal muscle function and relaxation.

HELPS REDUCE RISK OF BONE WEAKNESS

Zinc and Magnesium support bone structure and reduce bone loss.

SUPPORTS DAILY BONE REMODELING

Nutrients aid in natural bone formation and maintenance for long-term bone health.
