Cafoli™
LIFECARE

Calostyle™ Quick

Tablets

Calcium Citrate, Magnesium, Zinc & Vitamin D3 Tablets

Strengthens Bones & Joints
Calcium and Vitamin D3 work together to improve bone density and joint health.

Boosts Immunity
Essential minerals like Zinc help strengthen the immune system.

Supports Muscle Function
Magnesium helps in proper muscle contraction and reduces fatigue.

Enhances Calcium Absorption
Vitamin D3 improves calcium absorption for better bone mineralization.

Promotes Overall Wellness
Helps maintain strong bones, healthy muscles and active lifestyle.

INDICATIONS

- **Bone Health & Osteoporosis**
- **Joint Pain & Stiffness**
- **Muscle Weakness & Fatigue**
