Cadray™ Lifecare

Canditen 32 Tablets

Candesartan 32mg

Effective Blood Pressure Control
Candesartan effectively lowers blood pressure and helps achieve target BP consistently.[1]

Renal Protection
Provides renoprotective effects by reducing proteinuria and slowing CKD progression.[2]

Cardiovascular Protection
Reduces risk of stroke, MI & CV events in high-risk hypertensive patients.[3]

Well Tolerated
Lower incidence of cough & angioedema compared to ACE inhibitors.[4]

Once-Daily Convenience
Once-daily dosing improves adherence and long-term treatment success.[5]

Indications

- Hypertension
- Diabetic Nephropathy
- Heart Failure
- Stroke Prevention
- Cardiovascular Risk Reduction
