TinyBud™

Cefzlan 200
Dry Syrup

Cefixime Trihydrate IP 200 mg

Effective Bacterial Elimination
Helps in the eradication of susceptible bacteria causing infections.

Builds Stronger Immunity
Supports the body's natural defense mechanism during infection.

Gentle on Stomach
Well tolerated with minimal gastrointestinal side effects.

Faster Recovery
Helps you get back to health and normal activities sooner.

Pleasant Orange Flavour
Makes treatment easier and more acceptable for children.
