Matrizen™

# Clinzadin™ 150

Capsules

## Clindamycin Capsules I.P. 150mg

### Potent Antibacterial Action

Clindamycin effectively inhibits the growth of a wide range of Gram-positive anaerobic bacteria.

### Effective Against Anaerobes

Highly effective against anaerobic infections, including those in dental, abdominal and gynecological infections.

### Excellent Tissue Penetration

Achieves high concentrations in bone, soft tissue and abscess sites for effective infection control.

### Reduces Infection & Inflammation

Helps reduce bacterial load, inflammation and pain associated with infections.

### Well Tolerated & Reliable

Generally well tolerated with a proven safety profile for better patient compliance.

## Indications

- Dental Infections
- Gynecological Infections
- Abdominal Infections
- Bone & Joint Infections
- Skin & Soft Tissue Infections
