XUROGEN™

Clozept 50 Tablets

Clozapine IP 50mg

EFFECTIVE ANTIPSYCHOTIC ACTION

Clozapine is highly effective in treating treatment-resistant schizophrenia and reducing psychotic symptoms.

REDUCES SUICIDAL RISK

Shown to significantly reduce the risk of suicidal behavior in schizophrenia and schizoaffective disorder.

IMPROVES QUALITY OF LIFE

Helps improve social functioning, daily living activities, and overall well-being of patients.

LOWER RISK OF EPS

Associated with a lower risk of extrapyramidal side effects compared to typical antipsychotics.

LONG-ACTING CONTROL

Ensures sustained symptom control with once-daily dosing for better treatment adherence.
