TinyBud™

Cufsniff™ LS™ Junior

Cough Syrup

Levosalbutamol Sulphate, Ambroxol Hydrochloride and Guaiphenesin Syrup

Eases Breathing
Levosalbutamol helps relax airway muscles for better airflow.

Thins & Clears Mucus
Ambroxol reduces mucus viscosity and helps in easy expectoration.

Relieves Cough
Guaiphenesin helps loosen mucus and soothes the throat.

Gentle & Safe
Non-drowsy, sugar free, alcohol free formulation — ideal for kids.

Improves Breathing Comfort
Helps your child breathe easier and feel better, faster.

INDICATIONS

- **Productive Cough** (with mucus)
- **Bronchitis** (Acute & Chronic)
- **Respiratory Tract Infections** (Cold, Flu, Bronchitis)
