Pediaking™

Cufstik™-LS

Cough Syrup

Levosalbutamol, Ambroxol Hydrochloride & Guaiphenesin Syrup

Relieves Cough

Helps loosen mucus and clears airways for easier breathing.

Bronchodilator Action

Relaxes airway muscles and improves airflow.

Mucolytic Effect

Thins and reduces thick mucus, making it easier to expel.

Soothes Irritation

Provides relief from throat irritation and inflammation.

Better Breathing

Restores comfortable and uninterrupted breathing.

INDICATIONS

Productive Cough

Bronchitis

Upper Respiratory Tract Infections

Acute & Chronic Respiratory Conditions
