Decplist™ 75

Diclofenac 75mg

Powerful Pain Relief

Diclofenac effectively reduces pain and inflammation associated with musculoskeletal disorders.

Reduces Inflammation

Targets inflammation at the source, providing relief from swelling and associated discomfort.

Improves Mobility

Helps restore movement and flexibility by relieving pain and reducing stiffness.

Long-Lasting Action

Provides extended relief, allowing better management of pain throughout the day.

Better Gastrointestinal Tolerance

Well tolerated when used as directed, with a favourable safety profile.

Suitable for All Age Groups

Effective and safe for adults and elderly patients.

Indications

Osteoarthritis | Rheumatoid Arthritis | Ankylosing Spondylitis | Acute Musculoskeletal Pain | Postoperative Pain | Sports Injuries & Sprains
