Cafoli™
LIFECARE

Diaweb 50
Tablets

Diazoxide I.P 50mg

Potent Vasodilator
Diazoxide helps relax blood vessels, improving blood flow and reducing blood pressure.

Effective Blood Pressure Control
Helps in the management of hypertension when conventional therapy is inadequate.

Improves Cardiac Output
Enhances cardiac performance by reducing vascular resistance and afterload.

Renal Protective Effect
Improves renal blood flow and supports kidney function in hypertensive conditions.

Well Tolerated & Safe
Well tolerated with a good safety profile for long-term use.

INDICATIONS

- Hypertension
- Congestive Heart Failure
- Renal Vascular Disorders
- Pheochromocytoma
- Hyperinsulinemic Hypoglycemia
