Cafoli
LIFECARE

Dobetyle
Capsules

Calcium Dobesilate Monohydrate I.P. 500mg.

Improves Microcirculation
Enhances capillary permeability and reduces blood viscosity.

Reduces Capillary Fragility
Strengthens capillary walls and prevents leakage.

Decreases Vascular Permeability
Helps reduce edema and improves tissue oxygenation.

Relieves Venous Stasis
Supports better venous return and reduces swelling.

Trusted & Proven
A well-established therapy for microvascular disorders.

INDICATIONS

Chronic Venous Insufficiency

Capillary Disorders

Diabetic Microangiopathy

Edema & Tissue Hypoxia
