Matrizen™

Doxaloom™

Tablets

Doxylamine Succinate 10 mg + Pyridoxine Hydrochloride 10 mg + Folic Acid 2.5 mg

Effective Nausea Relief

Helps reduce nausea and vomiting by blocking histamine and vitamin B6 pathways.

Improves Digestive Comfort

Soothes the stomach and helps maintain better gut function.

Supports Healthy Pregnancy

Folic acid helps in fetal development and prevents neural tube defects.

Safe & Well Tolerated

Designed for gentle and effective relief with minimal side effects.

Daily Convenience

Easy-to-take tablet formulation for consistent care.

INDICATIONS

- **Morning Sickness & Nausea**
- **Vitamin Deficiency (B6, B9, B1)**
- **Support for Healthy Pregnancy**
