XUROGEN™

Doxeprol 25
Capsules

Doxepin Hydrochloride IP 25mg

Effective Antidepressant
Doxepin helps improve mood and relieve symptoms of depression by modulating brain chemistry.

Enhances Neurotransmission
Supports the balance of key neurotransmitters like serotonin and norepinephrine for improved mental well-being.

Reduces Anxiety & Tension
Helps reduce anxiety, tension and emotional stress, promoting a sense of calm and relaxation.

Improves Sleep Quality
Doxepin has sedative properties that help improve sleep onset and maintenance.

Long-Lasting Relief
Provides sustained symptom control with once or twice daily dosing for better compliance.

Indications

- Depressive Disorders
- Anxiety Disorders
- Obsessive Compulsive Disorder (OCD)
- Insomnia Associated with Depression
