Skinticals™

Finaslide-5

Tablets

Finasteride 5 mg

Promotes Hair Regrowth

Helps reduce DHT levels, supporting healthy hair growth and density.

Prevents Further Hair Loss

Blocks the conversion of testosterone to DHT, the main cause of hair loss.

Improves Hair Follicle Health

Supports stronger, thicker and healthier hair follicles.

Convenient Once-Daily Dose

Simple and effective treatment for long-term results.

Clinically Proven & Trusted

Backed by research for safe and effective hair loss management.

INDICATIONS

- **Androgenetic Alopecia** (Male Pattern Hair Loss)
- **Hair Thinning** (Early Stage Hair Loss)
- **Hair Density Improvement** (Long-Term Care)
