Ortho Care Products

Glosap 750
Tablets

Glucosamine I.P 750mg

Supports Joint Health
Glucosamine helps in the repair and maintenance of cartilage, supporting overall joint health.

Reduces Joint Pain
Helps reduce pain and stiffness associated with osteoarthritis.

Improves Joint Mobility
Enhances joint flexibility and mobility, improving daily physical function.

Promotes Cartilage Regeneration
Stimulates the production of cartilage matrix and slows joint degeneration.

Safe & Well-Tolerated
Well-tolerated with a good safety profile for long-term use.

Indications

Osteoarthritis | Rheumatoid Arthritis | Joint Pain & Stiffness | Degenerative Joint Disorders | Sports Injuries & Joint Wear
