Information For the Use of
SPF 50+ Sun Screen Lotion

Glotyle SPF 50+ Sun Screen Lotion

Brand Name: Glotyle SPF 50+ Sun Screen Lotion
Dosage Form: Lotion
Composition:
Each 100 ml contains:
• Sunscreen active ingredients
• Lotion base q.s.
• SPF 50+ as per tested formulation.
Description:
Glotyle SPF 50+ Sun Screen Lotion is a topical sunscreen formulation designed to help protect the skin from harmful ultraviolet radiation and sunburn. It forms a protective layer on the skin and helps reduce the effects of UV exposure during outdoor activities. SPF primarily indicates the level of protection against UVB-induced sunburn, while broad-spectrum protection requires appropriate UVA testing.
Indications:
Indicated for:

- **Protection against sunburn.**
- **Daily protection from UV exposure.**
- **Protection during outdoor activities.**
- **Supporting protection against photo-induced skin damage.**
- **Maintaining healthy-looking skin during sun exposure.**

Dosage & Administration:
Apply liberally and evenly over exposed areas of the skin before sun exposure.
Reapply regularly, particularly after sweating, swimming, or towel drying.
Avoid contact with eyes and mucous membranes.
For best protection, use along with protective clothing and other sun-protection measures.
Pharmacological Action:

- **Sunscreen agents absorb, scatter, or reflect ultraviolet radiation before it reaches deeper layers of the skin.**
- **SPF 50+ indicates a high level of protection against UVB-induced sunburn when the product meets the relevant SPF testing requirements.**
- **If the formulation has passed an appropriate broad-spectrum test, it can additionally provide protection against both UVA and UVB radiation.**

Side Effects:
Generally well tolerated when used as directed.
Mild skin irritation, redness, itching, dryness, or hypersensitivity may occur in susceptible individuals.
Precautions & Warnings:

- **For external use only.**
- **Avoid contact with eyes; rinse thoroughly with water if contact occurs.**
- **Do not apply to damaged or broken skin.**
- **Discontinue use if significant irritation or rash develops.**
- **Sunscreen should be used along with shade, protective clothing, and other sun-protection measures.**

- **Reapplication is necessary during prolonged outdoor exposure.**

Drug Interactions:

No significant systemic drug interactions are expected with topical sunscreen use.

Avoid simultaneous application with other topical products if they cause irritation or alter the intended performance of the sunscreen.

Storage:

Store below 25°C in a cool, dry place.

Protect from direct sunlight and excessive heat.

Keep the container tightly closed when not in use.

Keep out of reach of children.
