Critsila™

Hyotale 20 Injection

Hyaluronic Acid Sodium 20mg/ml

Superior Lubrication & Shock Absorption
Restores viscoelastic properties of synovial fluid for enhanced joint lubrication and cushioning.

Improves Joint Mobility & Function
Enhances joint flexibility and range of motion for better daily activity performance.

Reduces Pain & Inflammation
Helps alleviate osteoarthritic pain and reduces intra-articular inflammation.

Promotes Cartilage Protection
Supports cartilage health by reducing degradation and promoting tissue repair.

Long-Lasting Relief
Provides prolonged symptomatic relief, reducing the need for frequent interventions.

Safe, Biocompatible & Well Tolerated
Highly purified, non-immunogenic and safe for intra-articular use with minimal side effects.

Indications

- Osteoarthritis of Knee
- Osteoarthritis of Shoulder
- Osteoarthritis of Hip
- Osteoarthritis of Ankle
- Temporomandibular Joint Disorders
