Uropair™
Uro & Nephro Care

Latobate 500
Tablets

Lanthanum Carbonate I.P. 500mg

Effective Phosphate Binder
Binds dietary phosphate in the gut to reduce serum phosphate levels effectively.

Supports CKD Management
Helps manage hyperphosphatemia in chronic kidney disease patients.

Kidney-Friendly Control
Non-calcium based phosphate binder, ideal for long-term kidney care.

Gastrointestinal Tolerability
Well tolerated with a low incidence of GI-related side effects.

Once Daily Convenience
Can be taken with meals for optimal phosphate binding and convenience.

Improves Quality of Life
Helps reduce complications associated with high phosphate levels.

Indications

- Chronic Kidney Disease (CKD)
- Hyperphosphatemia Management
- Patients on Dialysis
- CKD-MBD Management
- Prevention of Vascular Calcification
