Cafoli™
LIFECARE

Levonoble™ AM
Tablets

Levocetirizine Dihydrochloride, Montelukast and Ambroxol Hydrochloride (SR) Tablets

Effective Relief from Allergic Symptoms
Helps relieve nasal congestion, sneezing, itching and watery eyes.

Improves Breathing
Montelukast blocks leukotrienes to reduce bronchoconstriction and inflammation.

Supports Mucus Clearance
Ambroxol helps in thinning and loosening mucus for easier expulsion.

Once-Daily Convenience
Designed for long-lasting relief and better patient compliance.

Proven Safety Profile
Well tolerated with reliable efficacy in respiratory and allergic conditions.

INDICATIONS

- **Allergic Rhinitis**
- **Asthma / Bronchitis**
- **Respiratory Tract Disorders**
