Skinticals™

Lutyle

ANTI-DANDRUFF SHAMPOO

Fights Dandruff Effectively

Luliconazole and Zinc Pyrithione work synergistically to reduce dandruff and control flaking.[1]

Soothes Scalp Irritation

Salicylic Acid helps to remove scales and soothes itchiness and irritation.[2]

Maintains Scalp Health

Helps in maintaining a healthy scalp environment and prevents recurrence of dandruff.[3]

Advanced Triple Action Formula

Combines antifungal, keratolytic and antimicrobiia actions for comprehensive anti-dandruff care.[4]

Gentle & Effective Care

Gentle on hair and scalp with a refreshing clean feel for everyday use.[5]

Compositions :

Luliconazole	IP	1% w/v
Salicylic Acid	IP	3% w/v
Zinc Pyrithione	IP	1% w/v

Indications

Dandruff & Flaking Scalp | Seborrheic Dermatitis | Itchy & Irritated Scalp | Psoriasis (Scalp) | Pityriasis Amianthacea
