Cafoli™
LIFECARE

Melatonin IP 0.5mg

Melarot
Oral Spray

Regulates Sleep-Wake Cycle
Melatonin helps reset the body's internal clock for natural, restful sleep.[1]

Improves Sleep Quality
Enhances total sleep time and overall sleep efficiency.[2]

Reduces Sleep Onset Time
Helps in falling asleep faster and promoting deeper sleep.[3]

Antioxidant Support
Melatonin acts as a potent antioxidant, protecting cells from oxidative stress.[4]

Supports Mood & Relaxation
Promotes relaxation and helps reduce stress and anxiety.[5]

INDICATIONS

- Insomnia & Sleep Onset Difficulties
- Jet Lag & Travel-Related Sleep Disorder
- Shift Work Sleep Disorder
- Age-Related Sleep Disturbances
- Stress-Induced Sleep Issues
