Cadray™ Lifecare

Nicanoli 10

Tablets

Nicorandil IP 10mg

Improves Blood Flow
Helps dilate blood vessels, increasing blood flow to the heart muscle.

Reduces Cardiac Workload
Decreases preload and afterload, reducing oxygen demand.

Relieves Angina
Helps reduce chest pain and improves exercise tolerance.

Vasodilation
Promotes relaxation of smooth muscle in blood vessels.

Cardioprotective
Supports long-term heart health and reduces risk of ischemic events.

INDICATIONS

- Chronic Stable Angina
- Acute Coronary Syndrome (Adjunct Therapy)
- Ischemic Heart Disease
