Cadray™ Lifecare

Nicanoli 20

Tablets

Nicorandil 20mg

Potent Vasodilator

Nicorandil acts as a vasodilator, relaxing vascular smooth muscles and improving blood flow.[1]

Improves Coronary Blood Flow

Enhances coronary circulation and increases oxygen supply to the heart muscle.[2]

Anti-Ischemic Effect

Reduces frequency and severity of angina attacks in patients with ischemic heart disease.[3]

Anti-Anginal Activity

Effective in both chronic stable angina and variant (Prinzmetal's) angina.[4]

Well Tolerated

Generally safe with a favorable tolerability profile for long-term use.[5]

Indications

Chronic Stable Angina	Variant (Prinzmetal's) Angina	Ischemic Heart Disease	Coronary Artery Disease	Adjunct in Heart Failure (Selected Cases)
