XUROGEN™

Nuroslide™ Gold
Capsules

Methylcobalamin, Pregabalin, Vitamin B6, Folic Acid & Benfotiamine Capsules

Effective Nerve Repair
Methylcobalamin supports nerve regeneration and repair, helping to restore nerve function.

Reduces Neuropathic Pain
Pregabalin helps in reducing nerve pain and improves quality of life.

Improves Nerve Blood Flow
Vitamin B6 and Folic Acid support nerve health and enhance microcirculation.

Supports Metabolic Health
Benfotiamine helps in nerve protection and reduces oxidative stress.

Comprehensive Neuropathy Care
A balanced combination for effective management of nerve-related conditions.

INDICATIONS

Neuropathy

Nerve Pain
