Cafoli™
LIFECARE

Nuroslide™ LC
Tablets

L-Carnitine L-Tartrate, Methylcobalamin & Folic Acid Tablets

Supports Nerve Health
L-Carnitine helps in nerve regeneration and protects nerve cells from damage.

Improves Nerve Function
Methylcobalamin helps in myelin sheath formation and enhances nerve conduction.

Reduces Neuropathic Pain
Helps in relieving tingling, numbness and burning sensation.

Boosts Overall Nervous System
Folic Acid supports nerve cell growth and normal neurological function.

Enhances Energy & Vitality
Helps reduce fatigue and improves physical well-being.

INDICATIONS

- Peripheral Neuropathy
- Neuropathic Pain
- Nerve Regeneration
