XUROGEN™

Xurocitam™ M

Syrup

Methylcobalamin & Piracetam Syrup

Enhances Nerve Function
Methylcobalamin helps in nerve regeneration and repair, supporting healthy nerve function.

Improves Blood Cell Formation
Piracetam supports cognitive function and promotes better blood circulation in the brain.

Supports Cognitive Health
Helps improve memory, concentration and mental alertness.

Convenient Once-Daily Dose
Designed for easy and consistent administration.

Pleasant Strawberry Flavour
Improves compliance, especially in long-term use.

INDICATIONS
