Picotyle Plus Suspension

Liquid Paraffin, Milk of Magnesia & Sodium Picosulfate Suspension

Effective Bowel Clearance
Helps in complete evacuation of stool and relieves constipation effectively.

Lubricates & Softens Stool
Liquid paraffin softens stool and reduces friction for easy passage.

Stimulates Bowel Movement
Sodium picosulfate increases intestinal motility for natural bowel action.

Gentle & Well Tolerated
Provides effective relief with minimal discomfort.

Safe for Regular Use
Trusted combination for safe and reliable constipation relief.

INDICATIONS

- Constipation
- Bowel Preparation
- Intestinal Cleansing
- Digestive Comfort
