Cafoli™
LIFECARE

Potfil-750
Tablets

Potassium Chloride I.P. 750mg

Restores Potassium Levels
Effectively replenishes potassium chloride deficiency and helps maintain normal potassium balance in the body.[1]

Supports Muscle Function
Potassium is essential for normal muscle contraction and helps prevent muscle weakness and cramps.[2]

Maintains Heart Health
Helps support normal heart rhythm and cardiac function.[3]

Supports Overall Well-being
Helps maintain proper electrolyte balance for overall health and well-being.[4]

Prolonged-Release Formula
Prolonged-release formulation ensures gradual action and better compliance.[5]

Indications

Hypokalemia | Electrolyte Imbalance | Cardiac Support | Muscle Weakness & Cramps | Diuretic Therapy
