OPTISHELL™
EYECARE

Povidyle
Eye Drops

Polyvinyl & Povidone Ophthalmic Solution

Provides Lasting Lubrication
Relieves dryness and irritation by forming a protective moisture barrier.

Supports Eye Healing
Helps in the repair and regeneration of the ocular surface.

Protects Against Irritants
Creates a soothing layer to shield against environmental stress and minor irritants.

Long-Lasting Comfort
Provides extended relief with reduced frequency of use.

Clearer Vision
Maintains a healthy and comfortable eye surface for better visual clarity.

INDICATIONS

- **Dry Eye Syndrome**
- **Eye Irritation & Redness**
- **Post-Surgical Care**
