LIFECARE

Pyrinide
Tablets 500

Pyrazinamide Tablets I.P. 500mg

Potent Anti-Tubercular Agent
Pyrazinamide is a key first-line drug effective against Mycobacterium tuberculosis.[1]

Sterilizing Activity
Highly effective in sterilizing dormant bacilli in acidic environments, preventing relapse.[2]

Enhances Treatment Efficacy
Works synergistically with other anti-TB drugs to achieve better treatment outcomes.[3]

Well Tolerated
Generally well tolerated with a favorable safety profile when used as directed.[4]

Supports Better Compliance
Convenient dosing helps improve patient adherence and treatment success.[5]

Composition :-

Pyrazinamide I.P 500mg.

Indications

Pulmonary Tuberculosis	Extra-Pulmonary Tuberculosis	Latent Tuberculosis Infection	MDR-TB (Multi-Drug Resistant Tuberculosis)	TB in Combination Therapy Regimens
