Cafoli™
LIFECARE

Ribziff™ DSR

Capsules

Enteric Coated Rabeprazole Sodium & Domperidone (SR) Capsules

Effective Acid Control
Rabeprazole provides potent and long-lasting reduction in gastric acid.

Improves GI Motility
Domperidone enhances gastric emptying and relieves bloating & discomfort.

Dual Action Formula
Combines acid suppression and prokinetic action for better symptom control.

Once-Daily Convenience
Designed for convenient once-daily oral administration.

Relieves GERD & Dyspepsia
Helps in the management of acid reflux, heartburn and indigestion.

INDICATIONS

GERD
(Gastroesophageal Reflux Disease)

Dyspepsia
(Acid Peptic Disorders)

Gastroparesis
(Delayed Gastric Emptying)
