Cadray™ Lifecare

Rosumore™ CV 10/75

Rosuvastatin & Clopidogrel Capsules

Dual Action for Better Heart Health

Combines a statin and antiplatelet for comprehensive cardiovascular protection.

Prevents Platelet Aggregation

Reduces the risk of clot formation and keeps blood flowing smoothly.

Lowers Cholesterol Levels

Helps reduce LDL cholesterol and improves lipid profile.

Improves Blood Circulation

Supports healthy arterial function and reduces cardiovascular risk.

Trusted Combination Therapy

Effective, well-tolerated and widely recommended for long-term heart health.

INDICATIONS

- **Cardiovascular Protection**
- **Hyperlipidemia** (High Cholesterol)
- **Prevention of Heart Attack & Stroke**
