Cadray™ Lifecare

Rosumore™ Gold 20
Capsules

Rosuvastatin, Aspirin & Clopidogrel Capsules

Reduces Cholesterol Levels
Rosuvastatin lowers LDL cholesterol and increases HDL cholesterol.

Prevents Platelet Aggregation
Aspirin and Clopidogrel reduce the risk of clot formation.

Protects the Heart
Helps prevent heart attacks and stroke in high-risk patients.

Improves Blood Circulation
Maintains healthy blood flow and vascular function.

Overall Cardiovascular Protection
A comprehensive approach for long-term heart health.

INDICATIONS

- **Coronary Artery Disease** (Stable & Unstable)
- **Post Myocardial Infarction** (Secondary Prevention)
- **Stroke Prevention** (High Risk Patients)
