Cafoli™
LIFECARE

Roxyfoli-300

Roxithromycin 300mg

Broad Spectrum Antibiotic

Roxithromycin is effective against a wide range of Gram-positive and atypical bacteria.

Effective Against Respiratory Infections

Ideal for treating upper and lower respiratory tract infections including sinusitis, pharyngitis, and bronchitis.

Treats ENT Infections

Highly effective in otitis media, tonsillitis, and other ENT infections.

Better Gastrointestinal Tolerance

Well tolerated with fewer gastrointestinal side effects compared to other macrolides.

Convenient Dosing

Longer half-life allows once or twice daily dosing for better patient compliance.

Suitable for All Age Groups

Safe and effective for adults, children, and elderly patients.

Indications

Respiratory Tract Infections | ENT Infections | Sinusitis | Tonsillitis | Skin & Soft Tissue Infections | Post Surgical Infections
