Cafoli™
LIFECARE

Roxyfoli-AM 30

Roxithromycin 50mg + Ambroxol 30mg

BROAD SPECTRUM ANTIBACTERIAL

Roxithromycin offers potent action against a wide range of respiratory pathogens.

EFFECTIVE MUCOLYTIC ACTION

Ambroxol helps thin and clear mucus, facilitating easy expectoration.

ENHANCES RESPIRATORY COMFORT

Relieves cough, congestion, and breathlessness for improved patient comfort.

DUAL ACTION FORMULA

Combines antibiotic and mucolytic benefits for comprehensive respiratory care.

SAFE & WELL TOLERATED

Excellent safety profile with minimal side effects for long-term use.

Indications

- Acute & Chronic Bronchitis
- Community Acquired Pneumonia
- Sinusitis
- Bronchiectasis
- Upper & Lower Respiratory Tract Infections
