Cafoli™
LIFECARE

Roxyfoli-S

Roxithromycin 150mg + Serratiopeptidase 10mg

Broad Spectrum Antibiotic
Roxithromycin is effective against a wide range of Gram-positive and atypical bacteria.

Reduces Inflammation
Serratiopeptidase helps reduce inflammation, swelling & pain.

Enhances Respiratory Health
Supports relief in respiratory tract infections and related symptoms.

Improves Tissue Penetration
Serratiopeptidase enhances antibiotic absorption and tissue penetration.

Speeds Up Recovery
Combats infection effectively and promotes faster healing.

Indications

Respiratory Tract Infections | Sinusitis | Tonsillitis | Skin & Soft Tissue Infections | Post Surgical Infections
