Cafoli™
LIFECARE

Secfort
Tablets

Secnidazole 1000mg

POWERFUL ANTIMICROBIAL ACTION
Secnidazole effectively eradicates anaerobic bacteria, protozoa, and mixed infections.

WIDE SPECTRUM COVERAGE
Active against a broad range of pathogens including bacteria and protozoa responsible for GI and genitourinary infections.

EXCELLENT GI ABSORPTION
High oral bioavailability ensures consistent therapeutic levels and better clinical outcomes.

SINGLE DOSE CONVENIENCE
Simplified dosing regimen enhances patient compliance and ensures effective treatment completion.

SAFE & WELL TOLERATED
Generally well tolerated with minimal side effects, ensuring a better patient experience.

Indications

- Amoebiasis
- Giardiasis
- Bacterial Vaginosis
- Anaerobic Infections
- Intra-abdominal Infections
