Matrizen™

SetGas

Softgel

Simethicone USP 140 mg.

Relieves Gas & Bloating

Breaks down trapped gas bubbles and provides quick relief from bloating and discomfort.

Improves Digestive Comfort

Helps reduce abdominal pressure and promotes a healthy digestive system.

Non-Systemic Action

Acts locally in the gut without being absorbed into the bloodstream.

Safe & Well Tolerated

Gentle on the stomach with minimal side effects.

Convenient Softgel Form

Easy to swallow and ensures better compliance.

INDICATIONS

- **Bloating & Flatulence**
- **Abdominal Discomfort**
- **Functional Digestive Disorders**
