Cafoli™
LIFECARE

Soldevir-L
Tablets

Ledipasvir 90mg & Sofosbuvir 400mg Tablets

Powerful Combination. Proven Results.

Highly Effective Anti-Viral Action
Ledipasvir and Sofosbuvir combination targets Hepatitis C virus directly, inhibiting viral replication and helping achieve viral clearance.[1]

High Cure Rate
Clinical studies show high sustained virologic response (SVR) rates, leading to successful treatment outcomes.[2]

Once Daily Convenience
Single daily dose regimen ensures better compliance and convenience for patients.[3]

Well Tolerated
Generally well tolerated with minimal side effects and safe for most patients.[4]

Improves Quality of Life
Helps reduce liver inflammation and fibrosis, improving overall health and quality of life.[5]

Indications

- Chronic Hepatitis C Genotype 1
- Chronic Hepatitis C Genotype 4
- Compensated Liver Disease
- Treatment Naïve & Experienced Patients
- Co-infection with HIV (Non-Cirrhotic)
