Cafeli™
LIFECARE

Uriviga™ 150 Tablets

Ursodeoxycholic Acid 150 mg

Dissolves Bile Duct Cholesterol Stones
Reduces cholesterol saturation in bile and helps dissolve gallstones.

Protects Liver Cells
Improves bile flow and protects hepatocytes from toxic bile acids.

Prevents Stone Formation
Maintains bile composition and reduces the risk of new stone formation.

Improves Liver Function
Supports normal liver enzyme levels and overall hepatobiliary health.

Well Tolerated
Safe and effective with minimal side effects.

INDICATIONS

- Cholesterol Gallstones
- Primary Biliary Cholangitis (PBC)
- Liver Disease Support
