Cafoli™
LIFECARE

Veramike™ 240 Tablets

Verapamil Tablets I.P 240mg

Effective Heart Rate Control
Helps control heart rate in conditions like arrhythmias for improved cardiac function.

Calcium Channel Blocker
Inhibits calcium influx into cardiac and vascular smooth muscle cells.

Promotes Vasodilation
Helps relax blood vessels to improve blood flow and reduce vascular resistance.

Helps Manage Angina
Reduces myocardial oxygen demand and relieves angina symptoms.

Supports Cardiac Rhythm
Useful in managing supraventricular arrhythmias and other cardiac rhythm disorders.

INDICATIONS

- **Hypertension**
- **Angina Pectoris**
- **Cardiac Arrhythmias**
