XURGEN™

Wavehist - 48

Tablets

Betahistine Hydrochloride Tablets I.P 48mg

Key Benefits

Improves Inner Ear Circulation

Betahistine enhances blood flow in the inner ear, helping to relieve vertigo and dizziness.

Reduces Vertigo & Dizziness

Effectively helps in the symptomatic relief of vertigo associated with Meniere's disease.

Restores Balance

Helps in improving balance and stability by acting on the vestibular system.

Well Tolerated & Safe

Generally well tolerated with a good safety profile for long-term use.

Composition :-

Betahistine Hydrochloride	**I.P**	**48mg.**

Indications

Meniere's Disease | Vertigo | Dizziness | Tinnitus | Vestibular Disorders
