Cafoli™
LIFECARE

Zymvigo™

Fungal Diastase, Papain & Activated Charcoal Tablets

Improves Digestion & Absorption
Fungal diastase breaks down complex carbohydrates, proteins and fats for better nutrient absorption.

Relieves Gastric Discomfort
Papain helps in protein digestion and reduces bloating and heaviness.

Activated Charcoal Detoxifies
Binds toxins and harmful substances in the gut for a cleaner system.

Supports Gut Health
Promotes smooth digestion and helps maintain a healthy digestive balance.

Safe & Effective
Well tolerated, with a trusted combination for complete digestive care.

INDICATIONS

- Digestive Enzyme Deficiency
- Bloating & Indigestion
- Gastric Discomfort & Poor Appetite
