Cafoli™
LIFECARE

Levonoble™ P

Tablets

Levocetirizine Dihydrochloride, Paracetamol & Phenylephrine Hydrochloride Tablets

Reduces Fever

Paracetamol helps lower fever and provides relief from pain.

Relieves Allergy Symptoms

Levocetirizine blocks histamine and reduces sneezing, runny nose and itching.

Decongests Nasal Passages

Phenylephrine reduces nasal congestion and improves breathing.

Long-Lasting Relief

Provides effective, multi-symptom relief for better comfort.

Trusted Combination

For cough, cold and allergy related symptoms.

INDICATIONS

- **Common Cold**
- **Allergic Rhinitis**
- **Sinusitis**
